“ *Dear Payne family,
Bonnie is someone who was always there in Richland while I was growing up. One of those folks I've known all my life, but didn't really know well. I guess you would say she was a family friend. She lived a long and productive life. I do know Donna and Merrel as Donna and I graduated from high school together. So I'm sending my sympathy and rejoicing that we know where she is tonight.

“ We are thinking of each of you family members as well as her host of friends. Bonnie was a special lady--always ready with a remark or famous line. She had a great personality, and lived life to the fullest. I am praying for each of you, and I'm rejoicing right now at Bonnie's home-going. I know she has made the rounds in Heaven letting them all know she's there. So happy she reached her 95th birthday with all of you.

“ Much love and prayers to Bonnie's family in her loss. She was a special lady who lived as much of life as she could--always coming to church and teaching her Sunday school class as long as she was able. So wonderful that she reached her 95th birthday. May God truly bless you with His love, grace, peace and strength in the difficult days ahead.

“ So sorry for your loss. Although I didn't know Bonnie well, I was so impressed with all she did and how active she was. I remember her at Amber's graduation, she was dressed so nicely, kept up with all of us, and so proud of her granddaughter.
