

LTC (Ret) Earl Eugene Hooper

July 27, 1958 - January 27, 2020

LTC (Ret) Earl Eugene Hooper, 61, of Waynesville, MO, passed away Monday, January 27, 2020 in the General Leonard Wood Army Community Hospital of Fort Leonard Wood, MO.

Just the day before he had said that when his time came, he wanted the Lord to surprise him, and no one argues with Earl, apparently not even God.

LTC (Ret) Hooper is survived by his wife: Deborah Hooper of the home; two children: Margaret Payne (Christian) of Chicago, IL and Michelle Hooper of St. Louis, MO; two sisters: Diane Pardue (Bill) of Crestview, FL and Judy Taylor (Ray) of the state of Kentucky; one brother: Mike Hooper (Vicki) of the state of Texas; several nieces, nephews, other relatives and friends.

Earl grew up working construction with his dad and loved building and tinkering all his life. He went to college on an ROTC scholarship to study engineering before getting his Masters from Florida Institute of Technology in 1994. He met his wife of 33 years, Deborah, while stationed abroad and they were married in Hanau, Germany on July 18th 1986.

Earl lived a big life, racing cars, jumping out of planes, and scuba diving in the ocean. He loved photography and filled his home with pictures. He was a lifelong learner and a story teller, whether it was homemade pyrotechnics in college that nearly set a building on fire, running the Marine Corps marathon twice and bonking hard both times, or getting so bored with a job assignment in the Army that he and a friend wrote a computer program to manage troop schedules, back when everything was still being done on paper - he was always ready to entertain and teach you something new.

Earl served 20 years in the Army Corps of Engineers, leading the Terrain Visualization Center at Ft. Leonard Wood for several years up until his retirement. After he left the Army, Earl devoted much of his time to the church and children's ministry. Whether it was

AWANA, Vacation Bible School or a random Wednesday night, Earl was always there, finding the boys that most needed his guidance and support and doing everything he could to set them on the right path. His purpose in life was to serve God, help others and take care of his family.

Earl was a devoted husband and an enthusiastic father. Not one to brag about himself, he never missed an opportunity to tell you how great his children were. Being a dad was one of the highlights of his life.

Even though he admitted to “mellowing” in his later years, he never slowed down. When God called him home, he was training for a 5K in April and making plans for a trip to the mountains this summer with his wife and girls. Still, he was a man at peace with his life, and enjoying each day as a blessing. His legacy will ripple through all those he touched and the lives he impacted in his time on this earth. May we all live up to the example he set for us

Services were held at 1:00 p.m. Monday, February 3, 2020 in the Memorial Chapels and Crematory of Waynesville / St. Robert with Pastor Harold Elson officiating. Inurnment with military honors followed in the Missouri Veterans Cemetery of Waynesville. Military honors were provided by the United States Army of Fort Leonard Wood, Missouri.

Memorial contributions may be made in memory of LTC Earl Hooper to the Honey Springs Baptist Church of Brumley, MO and may be left at the funeral home.

“ Earl and I were housemates in Virginia when we were both stationed at Fort Belvoir. We were later assigned together at Fort Leonard Wood. I am shocked and saddened to hear of Earl's death. It happened way too soon. Plenty of stories and good memories. Earl was salt of the earth....honest, sincere, and caring for those around him. I remember him for babying his car and writing computer programs on a tape and TV monitor in the early 80's before most people knew what they were. I will miss Earl greatly and send my heartfelt condolences to Deborah and the rest of the family. Rest in peace good friend.

You had a passion for sharing God's love with everyone you had contact with and your presence here will definitely be missed. But we know you are busy praising our heavenly father.

“ I am so sorry for your family's loss. I just shared this with my son and daughter and they both said "OH NO, the camera guy! He was so cool". He was my sons 1st camp counselor at the Pulaski Baptist youth camp, he also was at the Horsemanship Bible camp my son went to and really took him under his wing that first yr. He shared the love of Christ with kids, and was such a blessing.

May peace be with your family at this time.

Tonya Hillman - January 28 at 10:04 PM

“ This whole county has lost an amazing citizen and friend, with the passing of Earl Hooper. It was so obvious he loved his wife and family, he was passionate about investing in the youth of whatever church he was a member, and loved the opportunities to inspire and teach the love of God and Christ in summer camp, AWANAS, Sunday School, and sports. Bill and I saw him in action working in AWANAS, and were amazed at the rapport he had with the older kids. A true man of God! So thankful for the influence he had on so many. He did a great job of carpentry on Deborah's office on the square, too! Wish he could have lived longer on this earth, but I'm sure he is enjoying Jesus in person now! Praying our Good Lord will comfort Deborah and the family through this difficult transition.
