“ *Mrs. Buchholz was my neighbor for 2 years and this saddens me to hear of her passing. She was always in a cheerful mood and always eager to help. I will miss helping her take her groceries inside, getting the back of her remote open to change the batteries, or just help her with her flowers. She would always help my wife and I with our own flower garden. I will greatly miss her stories, words of wisdom, and kind heart. Mrs. Buchholz you will forever be in our hearts.*

“ *Mrs. Buchholz was my neighbor for years. She was as independent, strong, and full of life as she was caring and compassionate. She was always willing to lend a hand to those in the neighborhood or to share her beautiful flower garden with passers-by. She was a wonderful lady. My condolences to the family.*

“ *Eleanore was a dear Christian friend of ours for about 23 years, ever since we moved to Waynesville. She was very friendly and welcoming. She had an amazing wit and humor. She was good at hiding her age because she stayed so active so long and took good care of herself. I remember we had many mutual friends through the First Baptist Church. We sang in choir together, attended Sunday School and many meetings together. Bill was on some committees with her (She must have been a trustee) and he gave blood at the Red Cross drives when Eleanore was in charge. We enjoyed many visits in her lovely home. We missed her when she moved away, but now she has relocated to her permanent home with Jesus, whom she loved very much. We can look forward to seeing her again in Heaven. We send condolences to her family whom she mentioned often and loved very much.*
