“ Mom I miss you so much,I wanted to call you again today but couldn't.My heart is so saddened right now,I had just talked to you a few days ago not knowing it was our last conversation for now.I'm thankful you're in a better place and you're better now.Thank-you for being our Mother and all you did for us.Dad's going to be OK,thank goodness he has all of us to love him and for him to love us,we are all there for each other..Mom I love you,and you're in my heart forever.
