

## Richard Kelly Kimble

April 14, 2019

Richard Kelly Kimble, 59, of Saint Robert, MO passed away April 14, 2019 at his home.

Kelly was survived and loved by his wife of 35 years, Kathleen, his three children, Larissa Thornsberry, Kelley (Bill) Mitchell, and Jeremy Kimble, his mother Shirley Roeder, of Plymouth, Ohio, sisters Deb (Ken) Johnston, Toi Duty, brother, Michael Kimble, and several nieces and nephews. He also loved being a Pappaw to Haley, Jacob, Billy, Jack, Braelynn, and longtime family friends Mark and LeeAnn Creighton. He was preceded in death by his father, Louis Kimble and his step-father Eugene Roeder.

Kelly was a pipe welder and fitter by trade and had a passion for tinkering and fixing things. He was a hard worker dedicated to providing for his family, but he also enjoyed playing as hard as he worked. He loved the outdoors and made memories taking family and friends out to Lake of the Ozarks on his boat. Kelly had a great sense of humor, always quick with a joke to make someone smile. Kelly loved to travel the world, and thankfully he had a job that allowed him the opportunity. From deep sea fishing in Florida to helping build a gold mine in Nome, Alaska, Kelly always embraced and enjoyed life and the world around him.

A private memorial for family was held at Lake of the Ozarks, MO. A celebration of life will be held in Plymouth, Ohio at a future date. As an expression of sympathy, memorial contributions may be sent to Kathleen Kimble c/o Larissa Thornsberry at Central Bank.

“ May your wife, children and grandchildren find peace in the coming days, along with all of us that knew you. Most of the great memories that we made were at Mim and Paps, and I know we should have gotten an award for the grilled peanut butter /mayo sandwich that we all loved. Knowing that there is no more pain will bring more peace to all. Until we all see you again, enjoy the beauties of Heaven, your cousin Kim
