“ *Aften was the best man at our wedding in 1969. He was also a very special friend and father-figure for George in his youth. George can remember hitching rides to and from the Post (to visit Patricia) and Aften would give him “free rides” in his cab. In George’s early Army days, when he would visit Waynesville, Aften would lend him his car so he could take Patricia on dates. A great and giving soul has passed on. Lillian (Shorty) and George’s mother worked together and she was also a very special and positive influence on a young boy growing up in Waynesville. She is a grand lady and our prayers and thoughts are with her.##imported-begin##George Kingsley##imported-end##*

“ *My Uncle Aften was such a wonderful man. Every time we would come visit he would take us places and would always go with us to visit my Dad’s side of the family as well. He was such a loving and kind man to all who knew him and always took care of his family. I have such great memories of the times we spent together and I will always hold them dear to my heart. He will truly be missed. Our thoughts and prayers are with you Aunt Lilly. ❤️##imported-begin##Tina Matthews & family##imported-end##*
