“ Aimee and I were in elementary school through high school together. She had a smile that lit up a room & was a friend to so many. Her zany sense of humor and wit, intelligence, & talent at all things creative (piano, clarinet, & drawing to name a few) were unparalleled. She was so kind & unassuming and will be so very missed! I am thinking of her kind spirit & hoping for peace and comfort for her family. What a one-of-a-kind girl she was!
