“ Another thing I wanted to mention after re-reading my statement. I wasn't the only one that was lucky to have known and been with Andrew. Any one who even met him once remembers him. He was just that kind of guy. He saved my life a couple weeks ago the last time I saw him. He's affected me so much...And I miss the heck out of him...if anyone needs me dylan has my number. Take care of yourselves too. I love you AJ. Always will. Miss you baby, Shark terredactyl :)##imported-begin##Amanda Frietch##imported-end##

“ I loved Andrew very much. He showed me what it was to truly be loved, and to be taken care of. He was every girls dream boy, he took care of me, protected me, loved me, everything a true man is supposed to do for the woman he loves. He taught he about life, people, love, friendship, and so much more. I miss him every second of every day and can't wait to be reunited with him one day. I was very lucky to be held so high in his eyes, and he'll always be in my heart, and I'll always love him with all of mine.##imported-begin##Amanda Frietch##imported-end##
