“ Anthony was such a delight to have in class. His smile could light up a room along with that big heart of his. The conversations we would have in class were always so sincere and he cared about everyone. Anthony didn't know what an enemy was because everyone loves him. I am so sorry for your loss! Please know that I'm sending prayers and thoughts at such a difficult time to all the lives that Anthony touched. May God ease your pain. Anthony, you have blessed my life and I thank you for allowing me to be a part of yours.

“ I truly enjoyed being Anthony's counselor while he was in school. He always had a kind word and big smile for you. He could tell when someone had a bad day and would do his best to brighten it. He was always respectful to adults and would do anything you asked of him. I am praying for his family at this time and in the days ahead. Such a loss and what a huge hole in everyone's hearts!
