“ *It is sad that I never could meet Arthur. Today it would have been his birthday. His son Roy told me a lot about him. We are thinking often of you all, and now it was a great gift to see here all the photos of him. Many hugs from us to Renate, Chrissy and the kids. Annette Imort, Germany (... sorry for my bad english, it's a long time since I learned it in school ...)*

“ *My love, thoughts and prayers are with all those that loved Art. I met Art when my office was in the same building as the USO on Fort Leonard Wood. He was a light in my day. Always so helpful, nice and caring. We had great conversations and a lot of fun. Art you will be missed by so many. Peace be with you all at this very difficult time.*
