

Barbara Louise Belleville

March 15, 1944 - November 10, 2023

Barbara Louise Belleville, age 79, of Panama City, Florida, passed away on November 10th, 2023. She was born to Charles and Florence Grable on March 15th, 1944 in Newton County, Missouri. She graduated from Waynesville High School in 1962, married the love of her life, and raised her two children in Waynesville. She will be remembered as a loving wife, mother, grandmother, friend, and servant of God.

Barbara was an elementary school secretary for over 20 years, where the children and staff were truly like family. She viewed everything in life with a positive lens and saw the goodness in every man, woman, and child. She was never without a good book, and she always made time to take her children and grandchildren to the library. She enjoyed spending time with friends and traveled the world to visit her children and grandchildren during their various military and personal moves. Barbara was a devout Catholic, dedicating her life to church service. She was a CCD teacher and coordinator for over 20 years, volunteered for countless church activities and organizations, and continued her service as a Eucharistic Minister, until she was no longer able. She found peace and strength in her relationship with God and instilled that same foundation of faith in her children and grandchildren.

Barbara is predeceased by her husband, William "Bob" Belleville; her parents, Charles and Florence Grable; her brother, Fredrick Grable; and her grandson,

Andrew Belleville. She is survived by her children, Robert (Teresa) Belleville and Brenda (Ramiro) Rosas; her sisters, Virginia (Peter) Callahan and Beulah Matthews; her grandchildren, Bailey Belleville, Madison Belleville, Logan Belleville, Kyndall Rosas, and Kreu Rosas; and many nieces and nephews.

A Funeral Service will be held in Fort Wayne, Indiana. Details have yet to be determined. A special thank you would like to be given to the wonderful staff at Covenant Hospice of Panama City, as well as Charter Senior Living in Panama City Beach. Barbara's nurses and caregivers loved and cared for her during her most vulnerable season of life. The tender care and respect she received will never be forgotten.

“ Barbara made the Best chicken and dumplings! I'd request them every time we visited. We also had many laughs when playing cards. Our sister's trip to Italy was loads of fun and memories. Later in life, I talked to my older sister every day. I miss her more than words can describe ☐ Happy she is at peace 🙏😊
