“ *Barb was such a good person I met her and Bill when I worked at Walmart in automotive. I know she loved going on trips and bringing back pins from every state they went to , I know she loved the challenge to see how many to could collect. She did get a lot of them and I know she felt bad when she got sick and couldn't go anymore. That will always be my most cherished memory of her and the joy it brought her. Rest In Peace Barb. I love you always and will always miss you! Susie Shelden*💔
