“ My thoughts and prayers are with the family of Ben. I worked with him at the commissary, and he always made sure to talk to me and see how I was doing, especially after my fathers death recently. He was a hard worker and will be missed. Rest in Peace Ben.##imported-begin##Melinda##imported-end##

“ Ben,
You were a great brother. Hard working with a big heart and fun to be around. Now that you are gone I have lost a piece of me that I don't think I will ever get back. I miss you and I feel so lost without you here.

“ I enjoyed talking to you, you helped me when I needed help, and when I asked you questions and I had a problem. You made it easier for me to deal with my problems. I enjoyed our conversations, because you always made me laugh so hard that I had tears in my eyes. You were just so funny.

I care about you very much, and you will always be apart of my family.

Love Always,
