“ *My father served in 102 QM with MSG Campeau. To this day he remembers him as a good man who treated his people fairly. He always wondered where MSG. Campeau had landed when he retired. Our sympathies to your family for your loss. Know that he made a young kid overseas feel a little better and that kid has remembered by him for that.*

“ Rita & Becky,
I was just home this past weekend and was saddened to hear of the passing of your Dad. I regret I was unable to stop by this trip, but will definitely stop by the next time Im home. I know there will be tears, but rejoice in knowing your Dad is able to join your Mom & you will ALWAYS be able to cherish the moments & memories (of them both) that will bring a smile to your face and heart. Precious in the sight of the LORD is the death of his saints. Psalms 116:15 I hope you know I love you, and that my prayers are with you both and the rest of the Campeau family for strength, comfort & peace during this time of transition.

“ *I am so sorry to hear of Uncle Pete's death. I will always remember his kindness and generosity. When we would come to visit he always welcomed us with open arms. I thought it was funny that he had to have his drink before he went to bed. I am afraid that he was the only link left that will hold us cousins together. I hope that won't be the case.*

He was a great soldier, and a great man, who raised an exceptional family, I am proud to have known him, and I am certain he will be busy showing them how to grow the best tomatoes, and looking out for his family!

“ I remember when I first moved in, he was welcoming and warm. My daughter loved going down and spending time with him. She made a point of doing so whenever possible. My wife and I, and Anna will miss him and count our blessings that we were allowed time to get to know him. I just wish he could be here to see the renovations to the house and property completed. Best friend and neighbor a man could have ever.

I will always remember Ben and his warm hospitality when I came to his home to see my first grandson Casey. Special man with a special bond with his children. He will be missed.
