“ *My deepest and sincere sympathy to Bernie's entire family. I went to elementary and high school with Bernie. It has been many years since we have seen one another but found each other again via facebook. Bernie was always a truly kind and considerate boy. He was a fun kid and made us all laugh whenever he could. God bless you all.*

“ We will all miss Bernie! He always made us smile, laugh and feel . He was a man who loved his wife and family. He always took time to share , his humorous attitude and sometimes his wisdom. I was lucky enough to get to watch his grandchildren grow through pictures along with my own. My granddaughter Adelyn always got a hug and a dollar when we ran into him at the store or restaurant! He will be missed by this community! Mi Yon , if you need anything I'm here for you, even at 4 in the morning 🙏

I grew up with Bernie in our neighborhood in Springfield, VA. I remember him as an active kid and he was always friendly with everyone. I loved Bernie like a brother, we were close with his family for many years. I'm grateful for the video chat we had a short time ago. RIP Bernie.
