“ *Judy and Don, I'm so sorry to hear about your mom. It has been to many years since we've seen each other. Your mom was always good to call and visit my parents when she came to town, but dads been gone 6 years and now we must be better about reaching out to our cousins. Thinking of you both and your families loss. I really have great memories of the overnight stays at your house growing up. Love you both...*

“ I remember when we all went camping that weekend a couple of years ago. She had such a great time watching everyone play different games. I was glad she was able to go.
