“Wow I am shocked this morning roaming through things on Facebook and came across this on someones page. I cannot tell you how sad I am to see this. I knew the Dunn family in many different ways. Betty's husband was an Orkin Technician for allot of years in the area and treated my In-Laws house for several of those years. Before that I was privileged to meet a fellow army wife when our husbands were drill sgts. and that was their daughter also named Betty (I will call her Jr.). The whole family became good friends of ours and just recently I was visiting my sons girlfriends mom at General Leonard Wood Army Hospital and I saw Mr. Dunn passing in the hallway and I followed him to a room where Betty was at. He said she had pneumonia and she informed me she'd had enough of hospital time and was going home. I told her to let someone else take care of things and just to rest so she could get well. I asked about the girls and grandchildren and she gave me smiles and nods to indicate that everyone was doing good. Always thinking of others that was the Betty Dunn that I knew. I know she is still watching over her family.

“ I am sorry for your loss. Betty was a special person that greatly loved her family and all those involved with her family. She was one of the people that made my teaching experience at Crocker so wonderful. I still laugh at the great tutoring story from a kindergarten perspective. May God grant you peace, comfort and many warm memories.

“ Susan and Sandy and families,  
I'm so sorry to hear of the loss of your mother.  
I remember her fondly when she spoke at our  
RTS training and how hard that must have  
been for her. Your Dad and you ladies are in  
my prayers. It's so hard to let go. I'm still trying. God Bless all of  
you. Phyllis Jones, GLWACH
