“ Our deepest sympathy to Bill and family. Due to just being released from ICU myself, Joyce, we are unable to attend the funeral or visitation. We pray Bill and family understand. We have been more family than friends and Bev will be deeply missed by us. We love all of you! Our hearts are there with all of you. God Bless all. I am home bound myself at the present time and can't be left alone or Jack would be there for all of you. Please understand.
