“ *Man, I remember all the nights that I used to come over and hang out watching seasons of Family Guy non-stop , going to Subway and China Buffet, then playing video games all night. Those were the best days of my life. I never really had anyone I could call "brother" until you came along...and now you're gone. I promise to do everything in my power to keep your memory alive. I love you and I'll miss you more than you will ever know##imported-begin##Will Bowman##imported-end##*
