“ I give my deepest condolences. Brennan was such an amazing individual and had such an incredible personality. We spent a lot of time in high school and a couple years after we both had graduated just joking around and just having conversations about anything and everything. I remember texting him at 1 or 2 am just wanting to talk since I couldn't sleep and he stayed up to do just that. I'll never forget the memories him and I shared driving around, blaring music, random conversations, and endless jokes. He will forever be in my heart. Brennan was very much loved.

“ I work at the same building that Brennan worked in. Brennan came through my lobby every morning and afternoon. He always spoke to us and had the sweetest personality. I loved his uniqueness. I was so saddened by this news this morning and I keep looking for him to walk in....but now he is walking in Heaven with Jesus. Brennan I will miss you...
