“ I first met Britt through her brother Brian. We unfortunately lost him but I made sure to follow/support her in every way since. She was one of the strongest women I know. Made something of herself in many ways & took care of her kids in every way possible. Heartbroken you are gone but I know you have angels here on earth as well as heaven to guide you. Sending all of my love to you & family. ❤️

I just found out about Britt,we worked together at Arcadia university ,she was like one of my daughters,I was sad when she moved to Missouri,I learned of her passing today. I will keep her daughters and her family in my prayers. Sweet young lady who will be truly missed.
