“ *Kevin was a friend at Wentworth. Although I hadn't seen him since, there is no doubt how a reunion would have been. Kevin was a personable and loyal friend... we would have stepped right back into our friendship. He was a special person that I was honored to share that time of my life with.*

“ I knew Kevin from Wentworth. He was a great guy and could always be counted on. I have been thinking about him a lot the last few days. As another cadet that knew him said "I never heard Kevin say anything bad about anyone". Very sorry for your loss. Wm. House
