Lou Ann, I am praying and will continue praying for you and the family. I spent an evening with Mr. Hagar listening to him talk about the renovation of the family homestead and all of the wonderful momentos and antiques that he and his wife have collected throughout the years. He even gave me a lesson on wartime in Europe. I even learned about his blind cows. He was a great historian and I wanted to know more. He made me feel very welcome. I will always remember your family's kindness. Thanks for sharing Mr. Hagar with me. He will be missed. He was also very proud of his little girl. God Bless.
