“ Sue was one of a kind, if you were lucky enough to know her she is one you will never forget. I remember a time in my life when I was going through alot of struggles, I was very active in our church at the time, and then like a tornado my life went spinning I was in a bad place, out of everyone in our church Sue was the **ONLY ONE** that came to see me and help me in my time of need..I will never forget that, and I will be forever grateful, thank you Sue Alexander for being you

Condolences to Sue's family. I had not seen her in years but always remembered her as such a friendly and outgoing person in high school. She had ones of those vibrant personalities you never forget. I know she is happy to be reunited with her high school sweetheart she missed so much..
