“ *What a very sad loss. Memories of Carol Dye will always be the highlight of my high school days. She could make me laugh so hard with her dry wit and sometimes jaw-dropping honesty. Also, I smile every time I think of how much of a kick she got out of me bringing her hot wings from KFC long after I'd graduated high school and was out in the working world. She will be missed terribly and I extend my sincerest condolences to all of her family.##imported-begin##Karen Churn##imported-end##*

“ Our friend, Carol has been missed for several years. We loved her and send our good thoughts and prayers to her children. Carol was a special friend and we shared many good times together, from cruises to Friday breakfast, we had a lot of laughs. I will miss her, but know she is at peace now. Maybe she and Marilyn are having a sit-down right now. I loved them both.##imported-begin##Luge Hardman##imported-end##
