

## Carolyn Sue Jacobs

January 21, 1941 - March 7, 2011

On March 7, 2011, Carolyn Sue Jacobs passed away at her home in Waynesville, Missouri. She was 70 years old. Jon, her husband, and Tony, her son, were by her side. She had been enduring several health issues since suffering a stroke in 2003.

Carolyn was a native of Missouri. She was born in Greenfield, Missouri on January 21, 1941 to Howard and Helen Smith. She was the oldest of five and is survived by her two sisters, Lawanna and Sheila, and one brother, Leon. Her parents and younger brother, Tony, have already passed on. She spent much of her life in her birth state, most of her family living fairly close to Springfield, Missouri. Besides the family already mentioned, she is fortunate to have had many nieces, nephews, cousins and second cousins.

Carolyn loved spending time with her family, telling jokes, having pets, Christmas time, growing flowers, watching scary movies, listening to music, playing pool, and bright colors (especially reds). She was a smiling, laughing kind of person.

Carolyn lived in Italy and Germany with her second husband, SFC Darrell Ray Sumter, who was the father of her only child, Tony. Years after she and Darrell parted, she was blessed to meet her husband Jonathon A. Jacobs. They married in 1992 in the Bridal Cave in Camdenton, Missouri. Jon took her to

Hawaii, Disney World and many of the places she had always dreamed of going. She and Jon especially enjoyed spending time with her sister Lawanna and her husband, Norman either camping at a lake or just visiting at their home near Miller, Missouri.

There will be a Memorial service at 11:00 on March 10, 2011 at the First Baptist Church of Miller, Missouri. There will be a small get together following the service. Instead of flowers, please consider an offering to the church or to your local animal shelter. Special thanks to Brother Mike and the congregation of the First Baptist Church for their kindness and support.
