“ *My Aunt Charlotte was a spunky woman, who was wise as well as caring. I only knew her over video chat, but those moments no matter how brief they were at times. Everytime she spoke I wanted to meet her in person. She was everyone's protector, and did as much as she could for anyone. She gave advice when I was in the toughest situations, and she wasn't afraid to say what she believed.*

Aunt Charlotte always knew how to put a smile on my face as much as she did for my Mom.

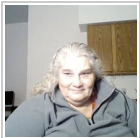

I love you Aunt Charlotte, see you again one day...
