“ Chieko Kangas leaves to mourn a vast family consisting of sisters, brother, nieces, nephews and grandchildren. She has family in Washington, California, Hawaii, Japan and a few other places here in the states. Chieko and her sister were very proud of their family. They are a Professional bunch of Business owners and hold Doctorate Degrees in many fields to include Medicine. Chieko and her sister Sumiko were asked and appointed as Ambassadors to host important dignitaries visiting from Japan by Fort Leonard Wood. They annually sponsored VIP officials which embodied Generals and their family members. The sisters remained in contact with them over the years. Chieko could be seen every Sunday playing bingo in St Robert and never missed a game. She was the oldest player at 99 and could play 18 cards per game until her death. She enjoyed playing bingo tournaments in Las Vegas twice a year. Anyone that knew Chieko understood, loved and accepted her as she was because no matter how much you tried, you couldn't get her to change her mind once she made a decision. She will be missed by all that knew and loved her. Please continue to keep Chieko and her family in your thoughts and prayers.
