“ Cindy had such a loving and giving heart. We were great friends and had lots of interaction due to my property management position, She was one of the best in her field. I had a tragedy in my distant family, we had lost a 5 month old great nephew, Cindy found out and left a sizeable donation to help a family she had never even met. She would also bring tons of toys for the Toys-for-Tots every year. The world was a better place with her in it. God be with Cindy's family. This is a tragedy. Love you Cindy!
