“ Cindy was an amazing person, always dependable, honest and caring. Best time spent with Cindy was on an overnight float and camping trip we laughed nonstop. She also enjoyed planning Halloween events for the kids. She was always so creative coming up with crafty activities and treats that the kids went crazy over. She adored the kids, everything she did was for the kids. Her excitement of being blessed with her own shined, the kids were her world and the love she showed was unmeasurable.

I love and appreciate you so much sissy! You and Ash take care of each other. All of us in the village are a team we'll take care of the kids and things around here.
