“ *Ms. Claudier was a blessing to many. While none of God's children are perfect, she was one of the few who looked past faults and accepted others for who they were. She is terribly missed and will always have the love of me and my daughters. I know that she is with the Lord because she stored up her riches in heaven and not on earth. Hope to see you in heaven Ms. Claudier and we love you always.##imported-begin##Shay Grant##imported-end##*

“ Mrs. Jordan and my family have been friends for years and years! When I had learned what had happened, I felt such sadness and I felt robbed. Robbed of such a warm, kind lady! She ALWAYS had a huge smile on her face so just by being around her you couldn't help but to be uplifted no matter what kind of a mood you were in before! She will be greatly missed! My thoughts and prayers are with the family and friends of Mrs. Jordan. She is in a much better place now though!##imported-begin##Charlene Pendleton##imported-end##
