

## Cristopher W.G. "Wheels" McCauslin

July 24, 1989 - January 1, 2016

Cristopher W.G. McCauslin, son of William F. McCauslin and Ramona McCauslin, was born July 24, 1989 in Fort Riley, Kansas. Due to his father being in the military, Cristopher lived in St. Robert, Germany, Florida and California.

Cristopher spent the majority of his growing up years in St. Robert and attended Pick Elementary School, Wood Middle School and Waynesville High School where he played football and was on the wrestling team. During his junior year (11th), Cristopher moved to Melbourne, Florida and graduated from Satellite High School in Melbourne.

Cristopher was involved in a dirt bike accident during Christmas vacation in California ten years ago and was confined to a wheelchair. During his many and long stays in the hospital over the years, he began writing short stories and had begun writing a book. He loved to watch documentaries, especially those dealing with history. He was an avid Denver Broncos and Duck Dynasty fan. When he was able to be at home, he liked to cook and bake. Whenever possible he would get a kick out of popping wheelies with his wheelchair to drive his mother (which he loved to call "Monda Lisa") crazy.

Cristopher was very fond and grateful to the Shriners of Buckhorn and the Shriners Hospital in Chicago and was hopeful that when he was strong

enough he would be able to work there.

Cristopher passed away Saturday, January 1, 2016 in Santa Clara Valley Medical Center in San Jose, California due to complications from his dirt bike accident. He had attained the age of 26 years. He will be sadly missed, but fondly remembered by all those that knew and loved him.

Cristopher leaves to cherish his memory, his mother: Ramona McCauslin (Dennis Beamon) of St. Robert, MO; father: William F. McCauslin of the state of Florida; brothers: Erik, Jan, and Sven Knoerr of Germany, Zane McCauslin and Mason Lively and their mother Jamie of Florida; uncles and aunts: Mike and Michelle Lalanne and their children Morgan and Mason of Visalia, CA, Robert and Rebecca Parker and their children Austin and A.J. of Visalia, CA and Linda Arras of Germany; grandparents: Stan and Sharon Hayes of the state of Colorado, Garry McCauslin of the state of California, Leslie and Frank Cardinale of Lake St. Louis, MO and Charlotte Hansmann of Germany; other relatives and host of friends.

Cristopher was preceded in death by great grandparents: Opal McCauslin and Margaret Lark; and great-great grandmother: Lula Jefferies.

Upon his wishes, Cristopher was cremated in Visalia, California and celebration of life services will be held at a later date.

“Perhaps they are not stars, but rather openings in heaven where the love of the lost ones pours through, and shines down upon us, to let us know they are happy.”

Finally at peace....In my heart forever on my mind always. Miss you and love you much, Mama.

“Cristopher was born two months after I graduated from high school. He and his mom spent much of his first year and a half with us while waiting to join my brother, Bill, in Germany where he was stationed. Cristopher was such a fun and energetic little boy. He was very inquisitive and liked to investigate all kinds of things. He loved music and even as a baby he could rock a Milli Vanilli song like no one else! As he grew, we tried to spend as much time with him as we could. He spent several weeks with us during summer vacations and my sister and I took him to Disneyland for the first time when he was 7. It was an unforgettable day. Every time I ride Indian Jones, I think of him and how he cried through the whole ride and couldn't wait to get off of it. When I said we wouldn't be able to ride anymore scary rides for the rest of the day, he said, "Oh no, that was my favorite! Can we do it again?" We repeated the ride three years later with his mom and dad and it was his mom who cried the whole way through and couldn't wait to get off the ride. When we did, Cris said, "Whelp, no more scary rides for Mom." During his 26 years on this earth, life wasn't always easy. After his accident, life became complicated again after a second accident that resulted in the death of a good friend of his. He struggled with depression and pain issues both physical and emotional. He found his escape through drugs and this was an ongoing struggle. However, he had plans for this new year. He wanted to go back to school and go into public speaking. He would have been great at that. He certainly had the gift for great storytelling. When he was a baby, I called him my Snooger Booger. He will always be that to me and I will miss him always.
