“ Curtis and his brother Kevin were well-liked and important members of White Pine High School in White Pine, MI. The brothers spent the first hour of the morning together with us in the high school office diligently doing their homework and preparing for the day. We were pleased to have them with us as they were the most pleasant of young men. We were saddened to learn of Curtis's untimely passing and wish to express our most sincere sympathies to his extended family. God's blessings on everyone. Sincerely, John & Barbara Valesano

“ Powelson and my husband would always compare "notes" on the growth and milestones between his lil boy (who was a couple months younger than ours),and our lil boy. From hearing not only my husband but many other Marines also, he was a good Marine, father, and husband! He will be missed by many from all over the world that knew him!
