“ *My deepest sympathy to all his family and friends. Dana was like a father figure to me during my teenage years. I remember always trading punches when we were bored. I have so many memories of him and his children, too many to ever recall. One I will always remember is at the Silver Star and him requesting "Desperado" every time, and all the 1 am Mitches Café or Truckport 28 breakfasts. RIP Pop, we will always remember and love you as much as today. Fly high.*

“ *Isaiah 40:31 but those who hope in the LORD will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint.*

Your Father/husband was a Firefighter with my husband on Waynesville Rural when we first moved here 20years ago. Dana seemed like the kind of man who would run toward the fire not run away. I would have trusted him with my life.

Stay Strong. I am sure he will continue to watch over you.
