“ *It's hard to imagine this world without you, & your sweet smile in it my friend. You are, & always will remain a blessing from God to those who had the privilege of knowing you! I am deeply sorry to you Rick, and to the rest of Dawn's family for this time of separation you will have to endure until we see your sweet loved one again. May God bring the comfort & peace that only HE can. With love in Christ!*

“ I've sat with this grief for a few days. Even knowing it was coming, it was still a tough one. My dear Dawndie, you were always there. In your quiet, non-judgmental, supportive, calming way. I knew that when there was nowhere else to turn, you were there. I thought we'd have one more visit and I'm so sorry we couldn't. Thank you for the gift of your friendship. I'll carry it with me and cherish it forever.

To Rick and family, my heart goes out to all of you. You were so fortunate to have such an amazing woman in your lives. We all were. May your memories of your times spent together bring you peace during this difficult time.
