

Debbie Ann (Griffin) Steele

December 27, 1964 - September 17, 2015

Debbie Ann Griffin Steele, 50, our dearest mother, sister, aunt and friend, passed on Thursday, September 17th, with her daughters by her side, due to a hard fought battle with cystic fibrosis.

She was born December 27th 1964 in Salt Lake City Utah to Morand M and Fay D Mace Griffin, both deceased. Her two daughters were her pride and joy.

Debbie will be sadly missed but fondly remembered by all those who knew and loved her.

She is survived by her husband Curtis A Steele, her two daughters, Danielle Nicole and Marissa Fay, Dixon, MO, her two brothers, Lee Griffin, Bessemer City, NC, and Max Griffin, St George, UT.

As per Debbie's request, there will not be a traditional service but a 'celebration of life' gathering of family and friends at a future date.

“ The day we held your hand and let you go had to be the hardest day I've ever had, worse than I could ever imagine. We try to take comfort knowing you can breathe free now. No longer hooked to any machines. I know you are watching over us and will help us through this. I know you've struggled for too long and a lot of days were worse than others. I'm glad I could spend everyday with you and help you as much as you could be helped. I would give anything to come home everyday from work and see you sitting waiting for me to tell you the days stories. I love you more than words can say. Half of my heart left with you. I will miss you everyday.

“ So sad you are gone. But I know you are much happier up there. You are in a beautiful place right now and dancing all around. I know you will be with your girls everyday watching over them, smiling down on them and keeping them safe. No more struggles no more tubed. You are free, free to fly. You are truly an angel. Love you lots and lots of prayers for the ones you left behind. We will celebrate your life and celebrate how happy you are now. Living the life you deserved to live. I know it's sad for those who are suffering, but we have to remember how happy you are and how you are free of the pain you lived for so many years. Such a beautiful strong lady. So glad to have known you. Love you. RIP BEAUTIFUL ANGEL..

“ I love you Aunt Debbie! I'm very sad about losing you but glad you got your wings and can fly and breathe free now. I promise to help watch over your babies and will forever be grateful to you for your love and for helping to take care of our baby during his first year of life and then some. You will forever be loved and remembered and we will have one hell of a fun party all together for you...you can count on that! Much love to my family! Love, Marshelle, Jason and Ashton
