“ *One of the things I will always remember about Debbie was that she was always upbeat, loved to talk about music and her videos, and was such a friendly person. She was always one of the very first to greet you at the Pulaski County Sheltered Workshop. She loved her family, and mentioned her brother a lot. Our prayers go out to you, Bill and Carmen, and all the family. She was a treasure. Hers was a life well lived, and that is quite evident with all the posts I see here on this Tribute Wall.*

“ My condolences to Bill and Carmen. Debbie was a part of my life from birth. As an Elbow kid, Debbie always looked out for us. She was always so sweet and quick to say hello. Debbie always had the lowdown and she kept us all up to date. I loved seeing her at Miller’s Market. Debbie will be remembered by so many. I know she has loving arms greeting her in Heaven.

Sorry to hear this. She used to call me for about an hour we talked of old time in Hooker and Devils Elbow. We sat with each other on the school bus. I'm sorry that with the virus I was not able to visit her but she will surely be missed Dixie Lee banks

“ *I remember how much fun we had in the early 80's when I would go to an auction each week and the next day when I got off work, Debbie would walk across the street to see all of my exciting purchases. We once went to a bodybuilding competition on FLW and a few weeks later we went to Rolla to shop and ran into the winner of the bodybuilding contest.... I didn't recognize him but Debbie did and went up to him and said "congratulations! You were great!" He was so pleased that she remembered. Debbie always knew how to make people smile! Fly high Debbie, you've earned your wings!*

“ *Debbie was one of mine and Jim's favorite residents at the Care Center when my mom was a resident. She was loving and friendly. We always had good chats. She often thought I was someone else- I would go along with it. My heart is sad-I will always have special sweet memories. She loved her brother and always seemed excited when he visited. I know she is happy resting in the arms of Jesus. Our prayers are with the family. Jim and Marie Brown Stoutland MO*

I did Debbie hair for years.. She was such a sweet and happy girl. We shared special beauty shop secrets She loved Her cat She loved Her WHS and never forgot any one...May she rest in peace. Also Her friend Betty Turner were classmates and Beti and Debby were always discussing crocheting ideas. Beti thought Debby was the best, and she was....R.I.P.
