“ *So sorry to find out Delbert has passed. My memories of his family living across the street from us on Depuy street on Fort Leonard Wood were some of my best years as an Army brat. Sure loved the wonderful food his mother fed the neighborhood with. Jerry, Joey, Debbie, you have my deepest sympathies.*

“ I have very fond memories of Delbert while attending Lessville High School near Ft. Polk, where both are fathers were stationed and we both lived in the same neighborhood. He was my best friend until he relocated to Missouri in 1985. I never saw him again, and had searched his name online for many years hoping that one day we would reconnect. I am sad to just find out that he has since passed on. My thoughts are with his family.

“ Will forever remember Del's cooking on the grill down at the river and quietly telling me that he only had 4 of the best ribs and that he and I would enjoy those. So sweet and will never forget.
