“ *I loved Delphine like she was my own grandma. I will never forget standing at the fence yelling for her so I could go visit. I'm sure her and granny are up in heaven catching up with each other. I will miss her. Let me know if there is anything I can do. I love you all!##imported-begin##Misty Hendrix##imported-end##*

“ *I met Delphi at the life care center. She testified of her love of the Lord. It was obvious that her mind was not clear, however, her love for the Lord always was. Well done, my sister servant!##imported-begin##Marcia Gladden##imported-end##*
