“ Don was my mentor when I was a young fresh faced Army ROTC cadet. I looked up to him and wanted to emulate all of his leadership and personal qualities. He was impassioned about teaching and mentoring all of us cadets. He even invited us all to his home on occasions to socialize and get to know him on a more personal level. He was an incredible officer, husband, and father. He impacted me greatly at a very young age. I knew the moment I sat in my very first ROTC class that I wanted to be just like him. I'm sure he had the same impact on many others during his tenure in the Army.

Don had an infectious laugh, a gut splitting sense of humor, and was someone everyone looked up to. I'll never forget when he came into class wearing a full size gorilla costume. I've never forgotten that moment when he showed me you could have fun and still be an excellent leader.

I spoke to Don several times over the years and kept him updated on my career. He was THE reason I chose to serve in uniform and it was his inspiration and personal investment in me that carried me through my 31 plus years' of service.

I will miss him greatly. Rest in Peace Don. You are now one of God's warriors.

With my most heartfelt condolences to you John.

I will never ever forget you Don.

With love and respect always.

“ Don Karcher was a man that everyone liked. He was a rock for the ROTC department at Rio Grande College. For the lives he touched there, he left the world better place. May God bless him and all those he touched.

“ I'm very sorry to hear of his passing. We were green ROTC cadets at Rio Grande College when I first met him. He was an awesome instructor and great example to follow. And a great sense of humor to add to all that.

Rest in peace, MAJ Karcher and God Bless your family.

Very fond memories of this man and soldier. We were in the same ROTC unit in Pueblo where I was commissioned and thereafter served my 20 years. We spoke on the telephone before his passing and we reminisced and laughed once again. Major (ret) Larry
