“ *I never met Don and only knew him as "Dun" on the CattleToday forums. He was a treasured member of the community, well-liked and well-respected. I was so sorry to hear of his passing. He was a large presence on the forums, so I can only imagine that he was even more so in real life. He will be greatly missed, even by those of us who never met him in person. To his family, I offer my deepest condolences.*

Eternal rest grant unto him O Lord and let perpetual light shine upon him.

May he rest in Peace...
