“ *I am greatly sorry for your loss. I remember the time he was called to get jumbo crayons, and mis-heard, and spent a long time looking for jumbo clams. We laughed for days over that. I was an assistant for Dr Toft years ago. He was fun to work with and learn from. I appreciate the times we worked together. I think of him with fun and enjoyable memories. He will be greatly missed.*

“ Don became one of my favorite people when he joined our family by marrying my sister Judy. He was a joy to our family. I loved his sense of humor and gentle ways. Our parents, Ralph and Evelyn Brink dearly loved him as well. Don enjoyed sparring and so did our mother. They were hilarious together. Laughter was the order of the day at family gatherings. He was also often the target of jokes as he was so easily flustered and undone! A thoughtful, gentle and generous man, he was a wonderful dentist. Don is and will always be sorely missed but remembered with a smile.
