“ Sorry to hear about donnie's passing. I don't know if anyone has mentioned this to mom (Delores McCalulley now Johnson) or not so I'll call her tonight and let her know. I'm sure she will want to extend her sympathies. I remember Donnie as a young boy, four years younger than I. May God bless you with happy memories to fill your emptiness.

“ So sorry to hear of your passing. I pray that you in the arms of Jesus, having a reunion will your loved ones that have gone ahead of you, such as your dad and grandpa Jim. I know that you will be greatly missed by all your family and friends. Life is so short, and it seems to me that when someone dies so young, that it is such a waste. But our Father in heaven knows so much more than we do. I know that he has our life planned and it would be a much better life if we didn't question him and fight to have our own way. To Donnie's family, I want to send my condolences. Always remember the good times with him. I'm sure that there is many good memories.##imported-begin##Freda Burnett##imported-end##

“ My dear brother, We are going to miss you and your wonderful sense of humor. Life goes by so fast and now you're gone. I loved you calling me here in NY and telling me I had moved to a horrible place full of crime and if I got cold Canadian Mist would warm me up. Even though you knew I wouldn't drink it; you loved to tease me anyway. Love you and miss you.##imported-begin##Terri Rivers##imported-end##
