“ Our whole family will miss "Uncle Donna", especially Jim. He spent alot of time helping Donna in the last few years. She meant alot to him. I will miss seeing her mowing on her riding lawn mower across the street, with a wagon behind with her dogs in it, going to visit her son and grandson around the corner. She was one of the strongest people I ever knew. She went through a lot in the last few years. She is now at peace and at home with our Lord. Love you, Uncle Donna, from all of the Woody's. We will miss you.

“ We remember Donna as a strong willed, independent woman. And back in the day, she shot a mean game of pool!
