“ I am happy I knew Dora. Though I haven't seen her a lot in the last several years, when I did see her she still had that same wonderful smile and the ability to make you feel like you were part of the family. “ Aunt Dora you will be missed here on this earth. My first memories include you, Stephanie and Delagno. I didn't realize until much later that you and mom were best friends and not sisters but it didn't make a difference. I love you with all of my heart. Stephanie, Delagno and the rest of the gang hang in there. You will always be my sisters and brothers.
