ER

My dearest Dylan, my heart is left broken since I heard of your passing you were like a son to me..the days you spent with my family and the brotherhood you shared with Marcos was very joyful...together we shared many laughter and memories the last Christmas you spent with us in our home was unforgettable...you by the Christmas tree smiling and hugging LaShae as we took many photos, you were like a big brother to Michael, Valentino, Elshaon Elisa and LaShae but most of all another son to me..we love you Dylan and as I mourn for Marcos and the other children I've lost in time I will also mourn for you. I want to say thank you for being a special part of my life and for always leaving me with the image of your beautiful smile and those precious hugs you always gave me...p.s. I'm a little worried about you and Marcos in heaven raising cane....so don't ruffle anyone's feathers and tell Marcos we miss him horribly....brothers from the soul together once again just like old times..we love you always..
