“ I am the snowflake that kisses your nose,
I am the frost, that nips your toes.
I am the sun ,bringing you light,
I am the star, shining so bright.
I am the rain, refreshing the earth,
I am the laughter, I am the mirth.
I am the bird, up in the sky,
I am the cloud, that's drifting by.##imported-

“ I love and miss you Ede. You have been my friend for many years. I love to sit and talk to you about anything in life...You never had a bad word to say nor ever passed judgement on anyone. I know you are resting in His arms...safe and well again..
I will always remember...

“ Don't grieve for me, for now I'm free, I'm following the path God laid for me.

I took his hand when I heard his call, I turned my back and left it all. I could not stay another day, To laugh, to love, to work, to play.

Tasks left undone must stay that way, I've found that peace at the end of the day.

If my parting has left a void, Then fill it with remembered joy.

A friendship shared, a laugh, a kiss, Ah, yes, these things too I will miss.

Be not burdened with times of sorrow, I wish you the sunshine of tomorrow.

My Life's been full, I savoured much, Good friends, good times, a loved one' touch.

Perhaps my time seemed all too brief, Don't lengthen it now with undue grief.

Lift up your heart and share with me, God wanted me now, He set me free.##imported-begin##Anastasia Morrow##imported-end##

“ For several years we lived next door to your Mom on Hull Valley Drive. What pride she took in her home-both inside and outside. A good neighbor willing to keep a watchful eye out and help if neighbors needed anything.

The

Neighborhood will miss her. Our thoughts are with your family.
