“ *I am in deep shock over Elfies passing. I tried to get in touch with her and got worried when there never was a reply. I contacted Ray and had a friend pass by her house.
Sabrina I know your loss, I was very fond of your Mother, I admired her love of god and hope she is getting the reward she deserves, she gave her all.
If I can help in any way, please let me know.
Sincerely, Hildegard###imported-begin###Hildegard

“ *What a sad loss. I worked with Ms. Elfie at Cracker Barrel for a year or two. She was a very nice lady and provided the younger staff with life lasting advice. She was loved by all of the customers and never came in with a bad attitude...NEVER. Sabrina worked there at the same time so I was able to meet her as well. I am sorry for your lost and my prayers are with you.###imported-begin###Courtney

“ *Elfie was a wonderful woman who had a heart of gold. We worked with Elfie also at Ryans Steakhouse for a year and she taught us everything we knew. She was also concerned how everyone felt and was really a genuine person. Our prayers go out to the family in this time of need and we are very sorry we will not be able to make it to the services.##imported-begin##Lillie and Aaron Creighton##imported-end##*

“ Elfie,
Wow such a short time we knew you and such a fabulous person you were. You touched so many lives here at Pointe Lookout as we are sure you did no matter where you went. It didn't matter how badly you were hurting you always had the sunshine in your eyes.

We miss and love you our dear friend.

“ Please accept my deepest sympathy on the loss of Elfie. She and I worked together for many years at Ft. Leonard Wood. I had great respect for her high energy, dedication, and appreciated her friendship. She was always willing to go the extra mile for me and her co workers and was totally focused on doing the best at whatever she attempted. She was at many times a breath of fresh air especially when things were difficult both in her life and also on the job. She had great faith in God and I am sure she is now in a better place and will be remembered fondly by all who had the great fortune to have known her. I am, unfortunately, going to be out of town on the day of her services but I wanted to express my sorrow and sense of loss. I know that she will live on in the memories of her many friends and her family.##imported-begin##Roger Olney##imported-end##
