“ Grandma, always ready with a smile and a good story. I will cherish the memories of sharing giant Hershey bars (one square at a time mind you) and watching wrestling and Night Gallery together sitting by the wood stove. Her laugh was infectious. I will miss her.

“ Grandmother has a beautiful smile, a loving hand to hold and eyes of understanding. A very outgoing person, that if she was upset with you she let you know right away. She would always have a big hug for you when you visited her. I loved singing with her.

I loved hearing her stories - writing The letter to FDR, the over-turned chicken truck, what happened to the neighbor's chickens and what she did with those feather afterwards. On weekends, playing with my cousins, catching light###imported-begin##Lisa Backes###imported-end##
