“ It saddens my heart to have heard of the passing of my friend Ernie. I've known Ernie for quite some years since I've live here in St Robert/Waynesville community area. He was an awesome guy to have known and to be around. He was joker, and a real friendly person who would go out of his way to help anyone. He will be dearly missed, not only by his family, but by all the people's lives he had touched over the years in the community. May God Bless the family!

“ Growing up I remember Mr. Souser always smiling and playing with us kids. Going over to the house to play with his kids. I will miss him and the kindness he always showed. and as an adult seeing and giving him a hug as we talked about different things. This isn't good bye forever but until we meet we meet again.
